| REVISION HISTORY | | | |
|--|-----------------|-----------------------|--------------|
| NOTE: The electronic drawing file(s) for the Project named below represent design intent only and shall not be construed to represent the actual "as-built" condition of the building and/or site. | | | |
| Brightline, L.P. makes no claim as to the accuracy or completeness of the information contained in the drawing file. All conditions and dimensions should be verified in the field. Adhering to this design and placement with attention to dimensions indicated will ensure that desired levels are achieved; variation is not recommended and any changes should have their effects checked by Brightline's design department. Use of the drawing file shall be limited solely to the purpose of facilitating construction of the project named. | | | |
